

The Franklin GLBT Justice Fund

The congregation at UUCV has established a fund in honor of Alan Franklin, a founding member of UUCV who worked tirelessly for many years to promote Justice for Gay, Lesbian, Bisexual and Transgender people at the local, state and national level. The Fund was established at UUCV at the time of Alan's death in August 2010.

- Alan was a World War II Veteran
- He was a scientist at the National Institute for Standards & Technology who retired to Central PA in 1995
- He worked with youth groups and young people who needed academic help in Washington DC and Cumberland County
- He helped GLBT Justice organizations such as UUPlan, the Silent Witness Peace Keepers, the Gay-Straight Alliance, Equality PA, the Human Rights Campaign, and others fight for justice

Grants to Promote GLBT Justice

UUCV is seeking to continue Alan's efforts to promote justice in Central Pennsylvania by awarding grants of up to \$600 each year to help one or two local GLBT organizations with their work. NOTE: Additional donations to the fund would be welcome.

Because of Alan's interest in helping young people, special consideration will be given to applications from organizations that serve youth and young adults or have young members.

Activities could include:

- Events that raise public awareness of the inequalities faced by GLBT people
- Efforts to promote and support legislation to protect GLBT rights
- Support for the creation of documentary materials about GLBT issues

Applications to help support activities to be conducted in 2012 must be submitted by November 1, 2011. Application forms can be downloaded from the UUCV Website at
